Sanctions

The school will follow a 5 point strategy for low level behaviour difficulties in class:

1. Verbal warning and reminder of consequence.
2. Verbal reminder and name written on post-it note - miss five minutes of playtime.
3. Reminder and dot placed next to child's name, child moved to another table or space within the classroom – five minutes off lunchtime play.
4. In KS2, if behaviour continues a second dot will be placed next to name and a lunch time detention will take place.
5. Sent to SLT for an internal exclusion for the remainder of the session/morning /afternoon - Parents notified.
