

St Martin De Porres Catholic Primary School – Maths Curriculum Learning Journey: Measurement - Money

Year 1

Do you recognise and know the value of different denominations of coins and notes?

Year 2

Can you recognise and use symbols for pounds and pence and combine different amounts to make a particular value?

Can you find different combinations of coins that equal the same amount of money?

Can you solve simple problems in a practical context involving addition and subtraction of money of the same unit, including giving change?

Year 3

Can you add and subtract amounts of money to give change, using both pounds and pence in practical contexts?

Can you use all four operations to solve problems involving measure?

Year 5

Can you estimate, compare and calculate different measures, including money in pounds and pence?

Year 4
